About ViolinPractice Method

ViolinPractice Method is a holistic, web-based violin method that integrates the development of technique and musicianship through a sequence of repertoire, videos and supporting materials. VP Pedagogy and VP Lesson Observation videos are included throughout. VP Foundation Levels, which take the student from the very first lesson to the early intermediate level, are a carefully constructed sequence of repertoire and activities that insures that young violinists will develop a comprehensive set of physical, aural and musical skills. Students play along with the step by step Guided Practice Videos which encourages them to practice longer with greater efficiency and better results. The daily routine includes: Warm Ups Skills and Drills Musicianship Look and Listen Repertoire Performance Practice Music Appreciation Home Concert Level A1 (Beginning to Twinkle) and Level A2 (Folk Songs in A and D) are complete! Level B1 (Low 2 and G Major) is almost complete. We invite you to try Foundation Level A1.8, Flower Song, free of charge. ViolinPractice Skill and Artistic Development provides videos of detailed demonstrations and explanations of pedagogical principals and offers practice suggestions for sequential skill development and highlights in specific repertoire. Repertoire gives examples of how to practice specific passages in specific pieces, like Bach: Concerto in a minor, Bruch: Concerto in g minor.
